International Conference

Contemporary System of Combating Terrorism in Poland and the World

Hotel Presidential in Rzeszow, Poland, May 18 – 20, 2016

Call for Papers

Conference organizers:
- Institute for the Study of Terrorism – University of Information Technology and Management in Rzeszow
- Institute of Risk Analysis

Co-organizers:
- The International Police Association IPA – Section Poland – Region Rzeszów KMP

The University of Information Technology and Management welcomes academic experts and practitioners from different countries who are interested in presentation of their research findings on the theme "Systems and institutions to combat terrorism in Poland and abroad" for the 2016 conference. Papers should focus on all aspects of combat terrorism. In particular, we encourage contributions addressing the following issues:

- Concepts and ideologies being used by terrorist organizations;
- The funding of terrorist activities and its effect on growth of terrorist threats;
- International terrorist networks;
- State and civil institutions in combating terrorism;
- National and international law and the struggle with terrorism;
- Successful measures in combating terrorism;
- The role and importance of communication for terrorists and combating terrorism;
- Methods of combating terrorism;
- International cooperation in combating terrorism.
